Dear Matt:

Just a note of congratulations on your \$2.8 million award, and your favorable front page appearance in Wednesday's *Daily Report*.

I am so very proud of this association and the caliber of members that make it so. Wrongs that would never had been corrected and lives that could have never been made right are the bragging rights of GTLA and your leadership has continued this legacy.

Again, congratulations and I look forward to seeing you at our Annual Seminar and Meeting next month.

Sincerely,

Tony Callaway  
Executive Director
